The Racket store is receiving a large  
line of spring goods, among them is a  
line of beautiful Mexican hats. Give  
them a call; the cheapest place in  
Globe; you get good value for the  
money. 1f

If others have failed to make your  
watch keep time it does not follow  
that we will. Give us a trial, E.  
Jonson.

Yesterday forenoon Mrs. Olive  
Terry suffered a stroke of paralysis,  
involving the entire left side with the  
exception of the face. She was alone  
at the time, in her room at the home  
of Mr. and Mrs. Lyman Woods, and  
must have been unconscious for some  
time before she was able to summon  
assistance. Difficulty was experienced  
in gaining entrance to the room as  
the door was locked. Dr. Maisch was  
quickly summoned and Mrs. Taylor  
and Mrs. Woods assisted in making  
Mrs. Terry as comfortable as possible.  
A brother living at Walnut Creek,  
Cal., and a sister, Mrs. Wm. Easton  
residing at San Francisco were ad-  
vised of Mrs. Terry's misfortune, and  
a telegram was received from Mrs.  
Easton today saying she would start  
at once for Globe.

W. O. Kellner, manager of E. F.  
Kellner's business at San Carlos, spent  
Sunday here with his family. He  
said there was nothing new to report  
from the agency. Construction of the  
wagon road to Fort Apache, which  
has been under way for several months,  
will soon be completed and work will  
then begin for the erection of the  
Indian school buildings near Geronimo.  
The search for white tufa in the  
eastern portion of the reservation was  
unsuccessful and the stone for the  
Geronimo school buildings will have  
to be obtained from the quarry near  
Rice.
